Barcode Data Systems has been an Authorized LINX System Solution Provider since 1990. We provide software and integration services for the following applications:

- Data Acquisition
- Document Tracking
- Inventory Control
- Item and Lot Tracking
- Machine Control
- Manufacturing Data Collection
- Package Control Systems
- Production Control
- Property Identification
- Quality Control
- Shop Floor Control
- Warehouse Pick/Put Lists
- Work-in-Process

All Barcode Data System-provided applications are custom designed and tailored specifically to the user's requirements. English language system documentation is provided on CD-ROM.

We specialize in serving the following industries in the northeastern part of the USA:

- Automotive
- Baking and Foods
- Beverage and Bottling
- Educational
- Hospital
- Health Care and Pharmaceutical
- Manufacturing, Electronics and Electrical
- Paper and Printing
- Textile
